

Banquet Beverages Menu

Beverage Services

Private parties are not permitted to bring alcoholic beverages onto the premises, nor may guests in a private party be served in the members lounge. If you should desire cocktails, we require that a private bar be set up in the banquet room for your exclusive use. In such cases, the private party must consist of twenty or more people.

Cash & Open Bars

A bartender is required for any cash or host bar. For every 100 guest in the party, we require one bartender. (\$25.00 per bartender for the first hour and \$15.00 for each additional half hour)
